

Accessing CRCT Practice Tests

Each grade level has its own login. The login will link your child to tests for their grade level.

First Grade: 9782012001

Second Grade: 9782012002

Third Grade: 9782012003

Fourth Grade: 9782012004

Fifth Grade: 9782012005

The password for all grade levels is **learn1**.

The CRCT site requires that you allow pop-ups, so make sure you are not blocking pop-up. If you are using Internet Explorer, you will go to TOOLS and TURN OFF Pop-up Blocker.

After you get logged in, you will click on TEACHER ASSIGNED TESTS to get some practice tests assigned by Gwinnett County.

If you need assistance getting your child on the CRCT site, please contact our technology coordinator, Teri Curlew.
