

Challenging All To Succeed

Duluth Cluster Schools Foundation

Our Mission

The mission of the Duluth Cluster Foundation is to unite all members of our unique community to benefit the Duluth Cluster Schools as they Challenge All To Succeed (CATS) in academics, arts, and athletics.

Our Purpose

The purpose of the foundation is to support specific needs of our community and to enhance areas that need assistance not provided by the Gwinnett County School System.

We have no legislative purpose or goals based on national policies. The foundation is dedicated to the students in the Duluth School Cluster and will work toward building better communication between schools and our community.

Opportunities for Involvement

The foundation always welcomes parent, student, and community volunteers to help in the following areas:

- ✓ Communications
- ✓ Fundraising
- ✓ Alumni Relations

A small donation of your time will change the life of a child forever!
