Blue Jean Ball: Lake Lanier Islands Resort is the location for the Blue Jean Ball Saturday February 25, 2012. Lake Lanier Islands will be offering special room rates and golf packages for people that want to stay the night. So book the babysitter and get ready for a fun night raising money for the schools. **Tickets are now on sale for individuals as well as whole table sponsors. Click here for [TicketInfo](#)** The event will be a fun filled evening to benefit the Lanier Cluster schools and consist of a cocktail hour, dinner, entertainment and a silent auction. This will be our main fundraising event for the Foundation.

Denim Wanted! The Foundation needs your denim. We are looking for donations of denim to be used to make the decorations for the Blue Jean Ball. Bins are set up in each school for these donations. We are accepting anything denim. Please make sure that they are clean prior to donating. Any donations that are not used will be donated to Goodwill.

We need items for the Blue Jean Ball silent auction to help make the evening a success. If you have a condo on the beach, have contacts with airlines, can donate a service (oil changes, car washes, Mary Kay), and more please contact Stacey Warchol with the event committee at: laniercef@gmail.com

Items already received: 20 field box seats from the Gwinnett Braves, the high school is putting together a prom package (so you Junior and Senior parents, get together to bid on this one!) to include dinner, prom tickets for 3 couples (and more) ,a football signed by all members of the 2011 Atlanta Falcons plus Coach Mike Smith and a helmet signed by Brent Grimes, cornerback for the Falcons, a stay at a condo in Costa Rica.
