Information sessions set for Gwinnett Online Campus

Gwinnett County Public Schools (GCPS) will host several information sessions this fall and winter for families to learn more about the school district's online charter school. **Gwinnett County Online Campus (GOC)** will serve high school and middle school students in the fall of 2012. The charter school offers Gwinnett County residents a full-time online learning option. Gwinnett County families can learn more about middle school and high school registration for next year by attending one of several information sessions.

The mission of Gwinnett Online Campus is to enhance the learning of students in a world-class virtual environment, empowering them with the 21st century knowledge and skills necessary to succeed in the local, national, and global community. In its inaugural year as a Gwinnett high school, Gwinnett Online Campus is serving approximately 160 students in grades 9–12. The school will add the middle school level next fall, and 4th and 5th grades in 2013. Registration for next school year takes place Feb. 1-29, 2012. Current 5th-11th graders are eligible to enroll. Enrolling students do not have to be currently enrolled in a Gwinnett County school but must be a resident of the county. Online Campus will accept all interested students unless there are more applicants than spaces available, in which case a random lottery will be used to determine enrollment. Gwinnett County Online Campus is one of five charter schools operating in Gwinnett County.
