Building a Better Gwinnett

1 Document. 10 Priorities. 1 Direction.

Key Messages for the Strategic Priority for Financial Stewardship...

- GCPS is known as a responsible steward of taxpayers' money.
- The school system's limited resources are used wisely, and we will aggressively pursue additional sources of revenue to support teaching and learning.
- Our financial management is transparent and will continue to be so.
- The district's financial practices meet the highest standards of the industry and generate the trust and confidence of our stakeholders— citizens, financial regulators, and financial institutions.
- GCPS uses proven business practices and procedures.
- The school system makes short-term and long-term budget decisions to provide the resources needed to support teaching and learning and our system of world-class schools.
