Through “Tapestry” GCPS students show what they learn

Gwinnett County parents and community members can see firsthand what Gwinnett County Public Schools (GCPS) students learn in their fine arts classrooms by experiencing the annual “Tapestry Display,” a showcase featuring student artwork. Created by GCPS students, hundreds of pieces of art will be on exhibit throughout the month of March at the school system’s Instructional Support Center (ISC), 437 Old Peachtree Rd. NW, in Suwanee.

Visitors can witness how classroom lessons by Gwinnett fine arts teachers come to life as they enjoy a sampling of the GCPS fine arts curriculum. They will experience paintings, drawings, three-dimensional art, mixed media, pottery, jewelry, and two-dimensional art.

The artwork from different school clusters will be on exhibit during the following dates:

- **March 1-8:** Participating schools in the Meadowcreek Cluster; the Mill Creek Cluster; the North Gwinnett Cluster; the Peachtree Ridge Cluster; the South Gwinnett Cluster; as well as GIVE Center East; GIVE Center West; Gwinnett School of Mathematics, Science, and Technology; and Phoenix High.
