

# 2009-2010 Local School Plan For Improvement

## LSPi Objectives

February 2010

## TRICKUM MIDDLE

Kay B Sands, *Principal*

Calvin Watts, *Area Superintendent*

Accountability and flexibility are hallmarks of Gwinnett County Public Schools' success. Key to that success is ensuring that each school community understands the progress being made by its schools, as well as what plans will drive improvement. Each school creates a collaborative Local School Plan for Improvement (LSPi), with targeted goals based on student achievement results. These goals are dynamic, like our schools, and are updated to reflect changes that occur in schools. Data is used to determine areas needing improvement and to identify specific, measurable, annual objectives. Schools then determine how to use research-based strategies to achieve these goals, using flexibility as needed. The LSPi development process involves teachers, parents, and community members, so the entire school community has the opportunity to be involved in conversations about school improvement. Please contact the principal to see the detailed implementation plan designed to achieve the following objectives.

### Key Objectives 2009-2010 Local School Plans for Improvement

**Objective:** Trickum Middle School will increase academic performance in language arts for students in all subgroups to meet or exceed annual targets through meaningful collaboration, engaged lessons, and quality relationships.

**Objective:** Trickum Middle School will increase academic performance in mathematics for students in all subgroups to meet or exceed annual targets through meaningful collaboration, engaged lessons, and quality relationships.

**Objective:** Trickum Middle School will increase academic performance in reading for students in all subgroups to meet or exceed annual targets through meaningful collaboration, engaged lessons, and quality relationships.

**Objective:** Trickum Middle School will increase academic performance in science for students in all subgroups to meet or exceed annual targets through meaningful collaboration, engaged lessons, and quality relationships.

Calvin Watts, *Area Superintendent*

### Key Objectives 2009-2010 Local School Plans for Improvement

**Objective:** Trickum Middle School will increase academic performance in writing for students in all subgroups by increasing the scale score and by increasing the percent of students scoring in the Exceeds (Level III) range while decreasing the number of students in the Does Not Meet (Level I) range. In support of continuous improvement of teaching and learning, specific strategies in designing and implementing engaging lessons and in developing quality student relationships will be developed during collaborative planning sessions.
