

SPLOST IV
Addressing Classroom and
Technology Needs

SPLOST IV

The Plan...

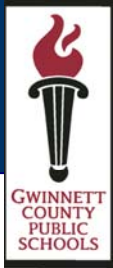

for bringing Gwinnett's building needs in check by 2014 and for providing technology to support students instructionally

SPLOST IV

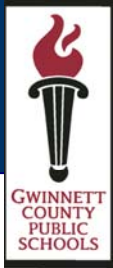

The Plan

- Phase I- SPLOST III, approved by voters in 2006
- Phase II- General Obligation Bonds, approved by voters in 2008
- Phase III- SPLOST IV

SPLOST IV

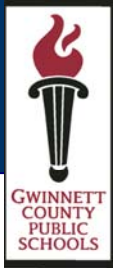

SPLOST IV - Funding Phase III of "The Plan"

SPLOST IV

SPLOST IV

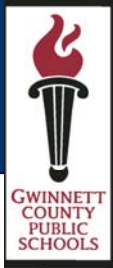

- Addresses the school district's need to provide classrooms, continue modernizing technology for teaching and learning, and make ongoing, systemwide facility and infrastructure improvements
- Will affect school district's continued ability to provide a quality educational program

SPLOST IV

SPLOST IV

- The sales tax would be collected beginning on July 1, 2012 and would expire on June 30, 2017
- SPLOST IV is projected to generate \$876 million at best.
 - \$858.9 million for GCPS
 - \$17.1 million for Buford City Schools
- Approval of SPLOST IV also authorizes the sale of \$275 million in G.O. bonds to be repaid with sales tax proceeds

SPLOST IV

SPLOST IV Projects

- 5 new schools
- 8 additions at existing schools
- 1 renovation to an existing school
- 433 new classrooms
- Technology improvements systemwide

Other Capital Improvements

All Special Entities/Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
GIVE Center East	Gym AC; HVAC improvements; re-roofing; energy efficiency upgrades
GSMST	Gym AC; technology upgrades
Maxwell HS	Energy efficiency upgrades
Buice School	Gym AC; kitchen AC; energy efficiency upgrades
Hooper Renwick School	Modification of space utilization; energy efficiency upgrades; gym AC; kitchen AC
Oakland Meadow School	Gym AC; energy efficiency upgrades
Phoenix HS	Gym AC; HVAC improvements; energy efficiency upgrades
Ivy Preparatory Academy	Enhanced access to data and digital content
New Life Academy of Excellence	Enhanced access to data and digital content

Other Capital Improvements

Systemwide Technology Improvements

Implementation of eCLASS - enhanced access to data and digital content for students, teachers, and parents, and advanced analytical capabilities; upgrades to PeopleSoft

*A digital Content, Learning, Assessment, and Support System for
Gwinnett County Public Schools... Enhancing student
engagement and improving teaching and learning*

eCLASS will...

- Provide teachers with better information about their students' learning needs.
- Enhance ways students use digital content.
- Help district realize cost savings in terms of textbooks.
- Improve business functions within GCPS.
- Provide a more robust technology infrastructure for schools.
- Increase Wi-Fi capabilities, paving the way for students to bring their own technology/devices.
- Expand portal access for employees and parents and lay groundwork for a student portal.

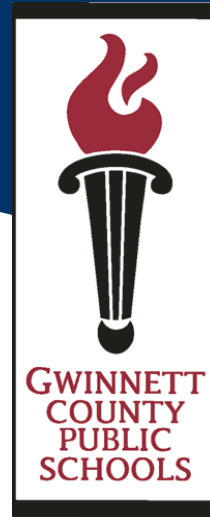

SPLOST IV

Election Day: November 8, 2011

- One day... possibly two opportunities to vote...
 - Many cities are having elections in addition to the county election.
 - The education SPLOST will appear only on the county ballot.
- Your voter registration card lists poll locations for county and city elections.

Cluster-by-Cluster Details

Archer Cluster

All Archer Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Archer HS	See Technology improvements above
McConnell MS	Gym AC; kitchen AC; energy efficiency upgrades
Cooper ES	Gym AC; energy efficiency upgrades
Harbins ES	Gym AC; kitchen AC; HVAC improvements; energy efficiency upgrades
Lovin ES	Gym AC

Berkmar Cluster

All Berkmar Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Berkmar HS	Gym AC; renovations/modifications to systemwide standards; energy efficiency upgrades
Berkmar MS	Gym AC; energy efficiency upgrades
Corley ES	Gym AC; energy efficiency upgrades
Minor ES	Gym AC; kitchen AC; energy efficiency upgrades
Sweetwater MS	Gym AC; kitchen AC; upgrade intercom; upgrade fire alarm; energy efficiency upgrades
Alford ES	Gym AC; HVAC improvements; energy efficiency upgrades
Benefield ES	Gym AC
Bethesda ES	Gym AC; kitchen AC; HVAC improvements; re-roofing; electrical/emergency lighting upgrades; energy efficiency upgrades; gym floor refinish
Kanoheda ES	Gym AC; kitchen AC; energy efficiency upgrades

New Berkmar/Central Gwinnett Cluster

Berkmar/ Central Gwinnett HS	New school
Berkmar/ Central Gwinnett ES	New school

Brookwood Cluster

All Brookwood Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Brookwood HS	Gym AC; HVAC improvements; re-roofing; upgrade intercom; new lab fixtures; remove folding partitions; energy efficiency upgrades
Five Forks MS	Gym AC; kitchen AC; HVAC improvements; upgrade fire alarm; replace gym bleachers; energy efficiency upgrades
Gwin Oaks ES	Gym AC; kitchen AC; HVAC improvements; upgrade intercom; upgrade fire alarm; replace cabinets in classrooms; energy efficiency upgrades
Head ES	Gym AC; kitchen AC; re-roofing; upgrade intercom; upgrade fire alarm; energy efficiency upgrades
Crews MS	Gym AC; kitchen AC; HVAC improvements; energy efficiency upgrades; replace fire alarm
Brookwood ES	Gym AC; HVAC improvements; upgrade intercom; energy efficiency upgrades
Craig ES	Gym AC; HVAC improvements; re-roofing; energy efficiency upgrades; upgrade intercom

Central Gwinnett Cluster

All Central Gwinnett Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center/school video broadcast equipment, network infrastructure improvements, increased wireless access.
Central Gwinnett HS	Gym AC; HVAC improvements; exterior lighting upgrades; upgrade intercom; renovate auxiliary gym; energy efficiency upgrades
Richards MS	Gym AC; HVAC improvements; re-roofing; upgrade intercom; exterior lighting upgrade; energy efficiency upgrades; replace gym bleachers
Cedar Hill ES	Gym AC; kitchen AC; HVAC improvements; re-roofing; intercom upgrades; energy efficiency upgrades; replace cabinets in classrooms
Jenkins ES	Gym AC
Simonton ES	Gym AC; kitchen AC; re-roofing; energy efficiency upgrades; upgrade fire alarm and intercom; replace cabinets in classrooms
Moore MS	Gym AC
Lawrenceville ES	Gym AC; kitchen AC; HVAC improvements; re-roofing; energy efficiency upgrades; new entry storefront/glass; replace fire alarm; replace cabinets in classrooms
Winn Holt ES	Gym AC; energy efficiency upgrades

Collins Hill Cluster

All Collins Hill Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Collins Hill HS	Gym AC; HVAC improvements; energy efficiency upgrades
Creekland MS	Gym AC; kitchen AC; replace fire alarm; energy efficiency upgrades
McKendree ES	Gym AC; kitchen AC; HVAC improvements; energy efficiency upgrades
Rock Springs ES	Gym AC; energy efficiency upgrades
Taylor ES	Gym AC; kitchen AC; energy efficiency upgrades
Walnut Grove ES	Gym AC; HVAC improvements; re-roofing; energy efficiency upgrades

Dacula Cluster

All Dacula Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Dacula HS	Gym AC; re-roofing; energy efficiency upgrades
Dacula MS	Gym AC; kitchen AC; energy efficiency upgrades
Alcova ES	20-classroom addition; Gym AC; kitchen AC; HVAC improvements; energy efficiency upgrades
Dacula ES	Gym AC; energy efficiency upgrades
Mulberry ES	Gym AC

Duluth Cluster

All Duluth Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Duluth HS	Gym AC; HVAC improvements; energy efficiency upgrades
Duluth MS	Gym AC; energy efficiency upgrades
Berkeley Lake ES	Gym AC; kitchen AC; energy efficiency upgrades
Chattahoochee ES	Gym AC; re-roofing; energy efficiency upgrades
Chesney ES	Gym AC; energy efficiency upgrades
B.B. Harris ES	Gym AC; kitchen AC; upgrade intercom; replace fire alarm; energy efficiency upgrades
Monarch School	Convert to new Duluth Cluster middle school

Grayson Cluster

All Grayson Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Grayson HS	Gym AC; energy efficiency upgrades
Bay Creek MS	Gym AC
Grayson ES	Gym AC; kitchen AC; energy efficiency upgrades; exterior lighting upgrades
Trip ES	Gym AC
Couch MS	Gym AC
Pharr ES	Gym AC; kitchen AC; energy efficiency upgrades
Starling ES	Gym AC

Lanier Cluster

All Lanier Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Lanier HS	HVAC modifications in old middle school building and old gym
Lanier MS	Gym AC
Sugar Hill ES	Gym AC; kitchen AC; energy efficiency upgrades
Sycamore ES	Gym AC; energy efficiency upgrades
White Oak ES	Gym AC

Meadowcreek Cluster

All Meadowcreek Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Meadowcreek HS	3rd floor, 14-classroom build-out; Gym AC; energy efficiency upgrades
Lilburn MS	Gym AC; kitchen AC; HVAC improvements; intercom upgrade; energy efficiency upgrades
Lilburn ES	Gym AC; energy efficiency upgrades
Nesbit ES	Gym AC; energy efficiency upgrades
Rockbridge ES	15-classroom addition/major renovation; Gym AC; kitchen AC; energy efficiency upgrades
Radloff MS	Gym AC; energy efficiency upgrades
Ferguson ES	Gym AC
Hopkins ES	Gym AC; energy efficiency upgrades
Meadowcreek ES	Gym AC; kitchen AC; energy efficiency upgrades
Meadowcreek Cluster ES	New school

Mill Creek Cluster

All Mill Creek Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Mill Creek HS	Gym AC; energy efficiency upgrades
Jones MS	Gym AC; energy efficiency upgrades
Harmony ES	Gym AC; kitchen AC; re-roofing; energy efficiency upgrades
Ivy Creek ES	Gym AC; energy efficiency upgrades
Patrick ES	Gym AC
Osborne MS	Gym AC; energy efficiency upgrades
Duncan Creek ES	Gym AC; energy efficiency upgrades
Fort Daniel ES	Gym AC; kitchen AC; energy efficiency upgrades
Puckett's Mill ES	Gym AC

Mountain View Cluster

All Mountain View Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Mountain View HS	See Technology improvements above
Twin Rivers MS	15-classroom addition; Gym AC
Dyer ES	Gym AC
Freeman's Mill ES	Gym AC; kitchen AC; energy efficiency upgrades
Woodward Mill ES	Gym AC

Norcross Cluster

All Norcross Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Norcross HS	Gym AC; energy efficiency upgrades
Pinckneyville MS	Gym AC; kitchen AC; energy efficiency upgrades
Peachtree ES	Gym AC; kitchen AC; energy efficiency upgrades
Stripling ES	Gym AC; energy efficiency upgrades
Simpson ES	Gym AC; energy efficiency upgrades
Summerour MS	See Technology improvements above
Beaver Ridge ES	Gym AC; HVAC improvements; energy efficiency upgrades
Norcross ES	Gym AC; energy efficiency upgrades

North Gwinnett Cluster

All North Gwinnett Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
North Gwinnett HS	10-classroom addition/major renovation; Gym AC; re-roofing; energy efficient lighting; energy efficiency upgrades
North Gwinnett MS	15-classroom addition; Gym AC
Level Creek ES	Gym AC; energy efficiency upgrades
Riverside ES	Gym AC; kitchen AC; energy efficiency upgrades
Roberts ES	Gym AC
Suwanee ES	Gym AC; kitchen AC; HVAC improvements; replace fire alarm; energy efficiency upgrades

Parkview Cluster

All Parkview Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Parkview HS	Gym AC; HVAC improvements; energy efficient lighting; energy efficiency upgrades; remove folding partitions
Trickum MS	Gym AC; energy efficiency upgrades
Arcado ES	Gym AC; energy efficiency upgrades
Camp Creek ES	15-classroom addition; Gym AC; upgrade intercom; energy efficiency upgrades
Knight ES	Gym AC; energy efficiency upgrades
Mountain Park ES	Gym AC; kitchen AC; energy efficiency upgrades

Peachtree Ridge Cluster

All Peachtree Ridge Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Peachtree Ridge HS	16-classroom addition; Gym AC; energy efficiency upgrades
Hull MS	Gym AC; kitchen AC; energy efficiency upgrades
Burnette ES	Gym AC
Jackson ES	Gym AC; energy efficiency upgrades
Mason ES	Gym AC; kitchen AC; energy efficiency upgrades
Parsons ES	Gym AC; kitchen AC; energy efficiency upgrades
New Peachtree Ridge Cluster MS	New school

Shiloh Cluster

All Shiloh Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
Shiloh HS	Gym AC; upgrade intercom; energy efficiency upgrades
Shiloh MS	Gym AC; kitchen AC; re-roofing; upgrade fire alarm; add energy efficient entry glass; energy efficiency upgrades
Anderson-Livsey ES	Gym AC
Annistown ES	Gym AC; kitchen AC; replace cabinets in classrooms; energy efficiency upgrades
Centerville ES	Gym AC; kitchen AC; add energy efficient entry glass; upgrade intercom; upgrade fire alarm; energy efficiency upgrades
Partee ES	Gym AC; kitchen AC; energy efficiency upgrades
Shiloh ES	Gym AC; kitchen AC; energy efficiency upgrades

South Gwinnett Cluster

All South Gwinnett Schools	School-wide technology upgrades that may include teacher laptops, student research stations, network printers, projectors, screens, wireless notebook carts, computer labs, media center and school video broadcast equipment, network infrastructure improvements, increased wireless access.
South Gwinnett HS	Gym AC; energy efficient lighting; energy efficiency upgrades
Grace Snell MS	Gym AC
Magill ES	Gym AC; energy efficiency upgrades
Rosebud ES	Gym AC
Snellville MS	Gym AC; kitchen AC; HVAC improvements; energy efficiency upgrades
Britt ES	Gym AC; kitchen AC; HVAC improvements; energy efficiency upgrades
Norton ES	Gym AC; energy efficiency upgrades
