Meadowcreek High team wins scholarships in Web Challenge

A team of **Meadowcreek High** students used their web development skills, as well as their knowledge of science, technology, engineering, and mathematics (STEM), to bring home the top prize in the Technology Association of Georgia's 2012 Web Challenge Scholarship Competition—Mobile Websites. The three students—11th grader **Erick Salgado**, 10th grader **Jose Santiago**, and 10th grader **Quang Vo**—created a mobile electronic application earning the “Grand Prize for the Best Overall Entry and Best Concept.” As part of their recognition, each of the students received a scholarship for \$1,166.

In addition to having the overall winning team, Meadowcreek High also claims several other award winners from the competition, including senior **Viet Dang** and junior **Muhammad Osama Sakhi**, who placed 1st in the Judge's Prize category earning a scholarship for \$750 each. Seniors **Rigoberto Cisneros** and **Francisco Ozuna** placed 2nd in the Judge's Prize category earning a scholarship for \$500 each.

Mrs. **Pintu Thaker**, who teaches these award-winning Meadowcreek High students, was awarded a \$500 grant for her classroom. Several other Gwinnett teams were finalists in this statewide competition including a team from **Lanier High** and two teams from **Gwinnett School of Mathematics, Science, and Technology**.
