| 7. The student data on the last page added to my understanding of the students served by this school.          | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

*Ideally, a community that understands the school's academic goals and challenges will be in a better position to champion the school, its students, and staff. Such support may come in many forms, such as becoming involved in PTA activities, volunteering in the classroom, serving on a school improvement committee, or helping to spread good news about the school to others. This report is designed to promote such a well-informed and involved school community. With this in mind, please fill in the oval that best reflects your level of agreement with the next statement.*

- |  | Strongly Agree        | Agree                 | Neutral               | Disagree              | Strongly Disagree     |
|--|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| 8. The accountability report is an effective tool for informing the community about the school's student body, achievement, and plans for improvement. | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
