**Note:** This listing is based on the school building location within a particular School Board district and is provided by the Gwinnett County Board of Registration and Elections. Voter precincts are used to determine School Board districts and are different from school attendance boundaries. An individual's residence, not the school attended, is used to determine which School Board member represents a particular resident.

\*Board seats in districts I, III, and V will be decided in the November election. The new term begins January 1, 2013.
