Mission Statement

The mission of the Gwinnett County Department of Safety and Security is to provide a safe, secure, learning and working environment to allow for the pursuit of excellence in academic knowledge, skills, and behavior. Our mission will complement the Gwinnett County Public Schools overall mission and strategic vision of being a world-class education system.

Our goal is to provide effective police services within the school system in a fair and respectful manner, consistent with the laws and needs of our citizens. We are dedicated to ensuring an educational atmosphere where students and staff can attend a school day uninterrupted by violence, intimidation, drugs, or anything that would obstruct the educational process of the schools.
