

2010 Area Board Meetings

An opportunity for citizens to talk with
the Gwinnett County Board of Education and the CEO/Superintendent

In April 2010, the Gwinnett County Board of Education will go on the road, as it does each year, meeting once in each Board member's district. The meetings are a time for the School Board to share information with the public and for citizens to discuss education topics with their elected officials. They also are an opportunity to hear CEO/Superintendent J. Alvin Wilbanks' 2010 address on the state of the school district, focusing on the development of the district's strategic priorities and current budget challenges. The meetings are organized by school clusters, but citizens may attend whichever meeting they prefer.

Please plan to attend an Area Board Meeting. The Board and Superintendent look forward to your participation!

All meetings begin at 7 p.m. in the host school's theater, with refreshments served at 6:30 p.m.
