Manage Your Child's Meals

Our School Nutrition Program is self-supporting and receives no local tax dollars. The financial health of our program depends on parents keeping accounts up to date. We encourage parents to pre-pay to ensure their child's account always has funds to cover meals. You can pre-pay by the week, by the month, or for the entire year.

- With *Mypaymentsplus.com* you can make payments directly to your child's account using the Internet.
- If you send a check, please write your child's full name and account number in the memo area of the check.
- If you send cash, place the cash in a sealed envelope and write your child's full name, account number, and the amount of cash sent on the front of the envelope.
- If you are sending money in for more than one child, include the information for each child.

And, we invite you to join your child for lunch in the cafeteria.

Check with your school about procedures. We feel that once you experience the quality and variety of healthy choices we offer, you will better appreciate the time-savings and value that school meals offer. **We hope to see you soon in our cafeteria!**
