All Bidders must submit AIA Document A305, Contractors Qualification Statement, to be evaluated by the Owner and Architect, along with the bid set payment prior to being issued plans and specifications. Bidders who do not submit the AIA A305 will be subject to disqualification. The AIA A305 must show the Contractor's ability to complete the Contract in a satisfactory manner on projects of similar scope and complexity. References from past clients and projects must be included and will be verified. As part of the prequalification process, a **mandatory pre-bid conference**, Wednesday, February 12, 2014, at 11:00 AM at the Facility and Operations conference room in Building C, 53 Gwinnett Drive, Lawrenceville, Georgia. **Pre-bid Site Visits** are scheduled for Wednesday, February 12, 2014, at 1:00 PM beginning at Simonton Elementary School and proceeding to Crews Middle School. Failure to attend the pre-bid conference will result in disqualification of the Bidder. Any Bidder may be required, at the discretion of the Owner, to furnish evidence satisfactory to the Owner, that the proposed subcontractors have sufficient means and experience in the types of work called for to assure completion of the contract in a satisfactory manner. Any Bidder that is disqualified may respond to the Owner in writing within 20 days of the Notice of Disqualification as to why the Bidder feels that the disqualification is unfounded. The written appeal from the disqualified Bidder will not change the decision already made on this project. However, a favorable appeal may open the way for the Bidder in question to bid on future Gwinnett County Public School projects. In any case, the Owner's decisions shall be deemed final.

Bid Documents will be issued by:
